

REAR WINDOW CAPTIONING® and DESCRIPTIVE VIDEO SERVICE®

RWC®/DVS®

TELUS World of Science - Edmonton is pleased to provide Rear Window Captioning® and Descriptive Video Service® in our IMAX® Theatre.

Select IMAX films are offered with:

- **Rear Window Captioning®** for Deaf, Deafened and Hard of Hearing Impaired Guests using portable, transparent acrylic panels that fit right in your drink cup holder.
- **DVS Theatrical®**, descriptive narration service for Blind and Visually Impaired, is broadcast to your seat via headphones and is also available for select IMAX films.

Look for the symbols **RWC®/DVS®** on each IMAX film carrying this technology on our website or see list below.

Limited quantities are available through our Box Office or for groups booked in advance through our Bookings Department at 780-451-3344.

The following IMAX films are equipped with RWC®/DVS® technology:

- Born to be Wild
- Bugs! A Rainforest Adventure
