

MAKE A WORLD-CLASS IMPRESSION

TELUS World of Science is an exciting and exceptional venue!

Perfect for:

- Volunteer Recognitions
- Client Appreciations
- Conference Spousal Programs
- Meetings, Seminars and Presentations
- Christmas Parties
- Fundraisers
- Product Launches

Wow your guests at the unforgettable TELUS World of Science.

We offer the perfect location for groups that are looking for an extraordinary space for a special event.

TELUS World of Science has distinctive areas for everything from corporate product launches to staff parties and anything in between.

For your next presentation or product launch, make a big impression on our 4-storey **IMAX®** screen! Or use our one-of-a-kind **Margaret Zeidler Star Theatre** in the round for an entirely new perspective on your next media conference.

Maybe you want to add new life to your next event? Treat your guests to an event to remember. Invite them to a unique evening in one of our exhibit galleries, or host a cocktail reception on our **ESSO Skywalk**.

MEETINGS & PRESENTATIONS

TELUS World of Science is a fabulous venue to add some excitement to your next offsite meeting or presentation. For a small meeting or seminar, try our **Boardroom** which comes complete with everything you will need for a successful meeting, including full AV capabilities and an attached servery for your catering convenience.

For small meetings or mid-size seminars, try our **Winspear Learning Centre**. It features three classrooms divided by portable walls allowing the option of separate meeting rooms or one large meeting space.

For a larger presentation, check out our **Syncrude Science Stage** which can seat your group in casual theatre style.

For a group of 274, use our **IMAX Theatre** which can make any presentation look impressive with its surround sound and floor to ceiling screen!

BOARDROOM

SYNCRUDE SCIENCE STAGE

IMAX THEATRE

MARGARET ZEIDLER STAR THEATRE

For something different, try our **Margaret Zeidler Star Theatre**. This round theatre seats 250 people and its circular stage and domed ceiling add a special flair to any presentation or press conference.

The next time you are planning an offsite training session, try our **Dow Computer Lab**. It features 16 state-of-the-art workstations and one instructor station.

DOW COMPUTER LAB

RECEPTIONS, DINNERS & PARTIES

If you are looking for a dinner or reception venue that is new and different, TELUS World of Science is one that will certainly impress your clients or associates. For larger groups, try our **Lobby** and **Café** area with lots of natural lighting and great atmosphere, or use each area separately for smaller groups.

If something more dramatic is in order, then perhaps the **ESSO Skywalk** is for you. Overlooking the lobby, the **Skywalk** is a fabulous spot for cocktails and hors d'oeuvres.

For a smaller more intimate gathering, the **Starlight Room** offers an even more spectacular setting with a twinkling star ceiling and seating for up to 70 people.

If a special theme is in order, any of our five themed galleries offer a memorable place to stage your event.

Mystery Avenue is a perfect spot to host a small dinner, combined with a crime solving team activity after your meal!
